

The TABS Conference App Guide

STEP 1

Download The TABS Conference App

1. Scan this QR code or visit the Google Play or Apple Store on your phone to download the *Pheedloop Go!* app.

If you see an error message after clicking the blue Launch iOS App button, you should either:

- Click the blue iOS App link in the text above the buttons

OR

- Turn off pop-up blocks on your phone by going to **Settings > Safari > turn off Block Pop-ups**

Safari cannot open the page because the address is invalid.

OK

2. Open the Pheedloop Go! app.

3. Search for the TABS Annual Conference 2026 Event.

Click the “search for an event” button at the bottom of the screen and enter “TABS Annual Conference 2026.”

4. Enter your Email and One Time Code.

Fill in your professional email and press the blue “sign in with email” button, to have a one-time code sent to your email.

If you run into challenges logging into the app, please email Membership@TABS.org for support. We're happy to help!

Discover your next unforgettable event. Start by searching for your event.

The TABS Conference App Guide

STEP 2

How to Use The TABS Conference App

From the home screen, each page below can be accessed by clicking the three stacked horizontal lines on the bottom right corner of your screen.

Full Schedule

The Schedule page will show the entire conference schedule. Click the bookmark icon in the top right corner of each session to create your custom event schedule.

My Schedule: This is the customized schedule you can create by clicking the bookmark icon in the top right corner of each session in the Full Schedule.

Attendees

The Attendees page will display all Attendees attending the event.

Speakers

The Speakers page will display all Speakers for the event, including the sessions they will be speaking at.

Exhibitors

The Exhibitors page will display all Exhibitors with tables in this year's Exhibit Hall.

Event Feed

Share your conference experience and interact with other attendees by posting here in the event feed.

My Notes

My notes is the place to jot down your ideas and thoughts before, during, and after the TABS Conference. These are not shared and only available for you to view.
